

“I am delighted about the launch of the Guild of St Martin with all its potential for involving a wide range of people in the life of our Cathedral and in support of its work. Over the last decade the Cathedral has become increasingly a focus for the City and the County at moments of great public significance, in celebrations of our common life and in strengthening Christian presence at the heart of the Diocese. I hope, like me, you will attach real value to the Cathedral and do everything you can to support it.”

Join the Guild of St Martin

Leicester Cathedral has been a place of peace and of people for a thousand years. With beautiful architecture and sublime music, it contributes greatly to the heritage and presence of the city.

Today, the Cathedral brings together people of all faiths and none to find common ground in this diverse county. We are working to develop the many ways in which the Cathedral engages with people and organisations.

By joining the Guild of St Martin as an Individual Member you become part of a family of supporters who are making many exciting and essential projects possible – restoration of the building and reshaping for the future, development of creativity including art and music, promotion of education and understanding and the bringing together of people.

As a member, you will enjoy unique opportunities to experience all aspects of cathedral life and to witness at first hand the difference your support is making. Most importantly, you will be helping to ensure a flourishing cathedral for future generations.

Belong

As an Individual Member of the Guild you will receive invitations and priority seating for key events, with the opportunity to meet other VIP guests of the Cathedral. You and your guests will be invited to join the Bishop of Leicester and the Dean of Leicester at the annual Guild dinner, alongside senior members of the Cathedral community and other Guild members.

New Relationships

Members of the Guild of St Martin are invited to become part of the life of the Cathedral, receiving regular newsletters and advance notice of special events. Discover this most ancient space through private talks and tours, including behind the scenes visits.

Join the Guild of St Martin at this exciting time and experience first hand the difference your support is making.
