Cathedral Flower Arrangers

Flower Arrangers

The Flower Arrangers would be delighted to receive donations towards flowers for Mothering Sunday; and for Easter so that we may truly celebrate this special day. Any contributions could be placed in an envelope marked 'Flower Fund' and handed in either at a Sunday service or at the Cathedral Admin office in St Martin's House. Thank you for your generosity.

Chairman, Flower Arrangers

Cathedral Community

Community Committee Events

Please take a leaflet, available in the cathedral, and put dates in your diary.

Lent - Ecochurch

If you like take-away drinks, why not take a re-usable cup with you when you purchase your drinks. This will help to support Fairtrade, reduce waste and can also save you money, as many outlets give you money back when using your own cup. Cups from the Just shop will be on sale after the 10.30 Sunday services during Lent. Treat yourself or a friend. You could make this part of your Lenten discipline.

Community Treasure Hunt

The Community Treasure Hunt will be held on Saturday 27 April from 10.30am to 12.30pm. It will follow a walking route around the city centre beginning and ending in Cathedral Gardens. All ages are invited to take part – by yourself or in small teams/family groups – there will be a series of clues to solve and follow along the way. It is suggested everyone aims to start between 10.30am and about 10.45am. Tickets costing £2 for adults and £1 for children are available from Nathan Morley after Sunday service or from the Cathedral Office in St Martins House during working hours.

Cathedral Walking Group – Start of 9th Season of Visits

On Saturday 6 April 2019 the Cathedral Walking Group will be starting their 9th season of visits and walks with a visit to St Thomas of Canterbury Church at Frisby on the Wreake. All of the churches that we visit have a special attraction, they may be architecturally interesting, contain artistic carvings, monuments, windows, pews or be historically important. St Thomas's Church is quite beautiful and well worth a visit. Our visit will start by sharing lunch at The Bell Inn, a traditional English Pub, 2 Main Street, Frisby on the Wreake, LE14 2NJ4 where we will meet at 12noon for lunch at 12.30pm. After lunch we will visit St Thomas's Church at 1.30pm to be followed by a short walk lasting about 1½ hours around local footpaths. This is a pick-and-mix event, you will be welcome to join us for one, two or all three parts of the day; you choose what you would like to do. If you book in for lunch, we will send a menu to you to pre-select your meal choice.

If you would like to join the Cathedral Walking group on this visit please book in with Mick McQuade email: mick.mcquade@ntlworld.com or text to 07879 67 57 67.

If you would like to join the group but do not have transport, please contact Mick as car sharing may be possible. Future visits will take place on the first Saturday of each month until and including October. The programme will be decided soon and will be published as soon as possible.

Community Meal

The Community Meal is planned for Friday 24 May and the committee are looking for talented member of the cathedral community to provide entertainment. If you have a talent you'd like to share please speak to Nathan Morley after the Sunday morning service.

Cathedral Community Craft Circle

Please join us **every Thursday**, from 2.00pm – 4.00pm, for Cathedral Community Craft Circle in the White Rose Café, St Martins House. This is a social and informal gathering where you can bring along your knitting, crocheting, or any alternative art materials that you are working on. All welcome!

Food bank donations.

Donations for the local food bank can be brought to the Cathedral on Sunday and put in the boxes at the entrance. Donations can also be brought during the week and should be given to the vergers or the welcomers on duty. There is a particular need for milk, nappies, tinned veg, tinned meat, tinned fruit, sanitary products, toilet rolls, tea, coffee, sugar and toiletries. Thank you.

Ann Reddecliffe

Coffee Rota

Tea and Coffee is an important feature to our Sunday worship. Many of us appreciate the time to catch up with one another, to have purposeful conversations and to talk about God. It is also important to making new people feel welcome and included in our community. Can you help volunteer? Do you think you could help serve refreshments on Sundays after services? You will be supported by a good team and you will be trained responsibly in what you should be doing. Please prayerfully consider if you can help us, see **Nathan Morley** nathanmorley82@hotmail.com for more details.

Your Belongings

Please keep an eye on your belongings during your visit to the Cathedral.

Cathedral Mothers' Union

The next Cathedral Mothers' Union meeting will be held on **Tuesday 2 April at 2pm in the Cathedral.**

Prayers of Intercession at the 10.30 Sunday Eucharist

Over the last years the leading of prayers during the main Sunday Eucharist has been connected with a slightly wider liturgical role named the Sub Deacon. I would like to explore to occasionally separate the two and have other interested people lead intercessions on a Sunday. Please have a word with Diana Belton or myself if this feels interesting to you. We meet on Sunday 10 March at 12pm after the Eucharist to talk about this a bit more.

Johannes Arens, Canon Precentor

Creative approach to mental health

On Friday 15 March from 5pm - 8pm the University of Leicester are launching a new Yellow Book at the Attenborough Arts Centre. The national charity Rethink your Mind has been active since 2012 promoting mental health through poetry, photography, art and other techniques shared via their Yellow Books and #Ifeelbetterwhen on social media. Leicester has played a significant role in the journey and this latest volume is the first collection produced by a university, with contributions from students and staff. The upstairs gallery at the Attenborough Centre on Lancaster Rd will be displaying the chosen pieces of visual art and free Yellow Books will be given to anyone who comes on Friday night. Food and drinks available and live band Refugee: come and be inspired by #Ifeelbetterwhen. More info at <https://rethinkyourmind.co.uk/uni-of-leicester-yellow-book/>

Reading at the main Sunday Eucharist

Would you be interested in getting involved more in our Sunday worship by reading from the Old or the New Testament? Reading in public can be daunting but every reading is an act of proclamation and interpretation. There is also the possibility of doing some reader training done by somebody professional. If you would be interested in this ministry please have a conversation with **Anne Dewdney** or **Johannes Arens**.

Baptism and Admission to Communion

As last year Baptisms, Confirmations and Admissions to Communion will happen during the Easter Vigil on **Holy Saturday 20 April at 6pm**. Admission to Communion can happen for children aged 7 or above who are baptised but not yet confirmed, and confirmation usually happens from Secondary School age onwards. If you are interested or do not quite know whether this is for you, please have a conversation with me or one of the other clergy.

Johannes Arens, Canon Precentor

Confirmation

One or two people have been asking about the possibility of confirmation classes with a view to being confirmed at Easter here in the Cathedral. As Paul settles in it would be helpful (and could help him) to know who might be interested. This does not mean any commitment at this stage but please could you let the Canon Chancellor know if you are interested.

Called Everyday

If you feel God may be calling you to whatever, then this day is worth tapping into. It happens annually, aiming to explore vocation in general and also more specific callings to licensed ministries. This year Bishop Guli is speaking at it, together with Stefan McNally from the London Institute for Contemporary Christianity. I have some application forms, and it is on the Diocesan website at <https://www.leicester.anglican.org/mmevent/everydaycalling/>.

Come and talk to one or other of the team here – we'd be delighted to engage in conversation around what God may be saying to you!

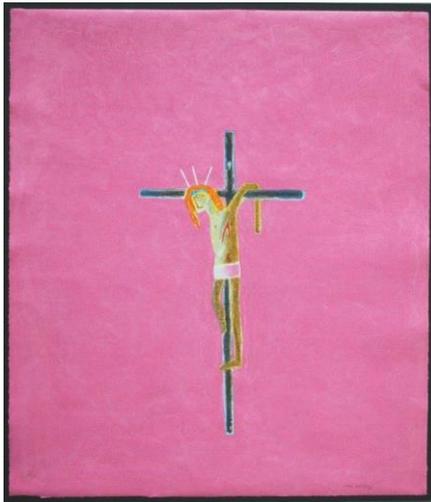

Alison Adams, Sub-Dean

Leicester Cathedral Revealed

City planners give Leicester Cathedral Revealed building the go ahead

Leicester City Council has given planning permission to the Cathedral's plan for a renewal and new build project to create a Heritage Learning Centre beside the main building. In December 2018, a formal application was lodged with the National Lottery Heritage Fund for a grant towards the £11.3m project cost of the Leicester Cathedral Revealed project. The project will see the restoration of the Cathedral building together with the creation of the new Heritage Learning Centre on the site of the former Song School, which adjoins the Cathedral and is now used mostly for storage. Plans for the new two-storey stone building include terracotta and glass features, and have already been approved by the Cathedrals Fabric Commission for England and the Leicester Conservation Advisory Panel.

Historic England raised some issues with some of the design but did not object to the overall plan, and at Leicester City Council Planning Committee meeting on 19 February, the plans were approved by all the councillors except for one, who abstained. The Cathedral will now work closely with Historic England and other agencies on details of the new building to address matters of detail.

The Dean of Leicester, The Very Revd David Monteith said: "This project will transform what we will be able to do. The restoration of the building will enhance the spiritual and cultural experience of being in the Cathedral. The Heritage Learning Centre will allow us to protect the historic setting of the Cathedral, while engaging with many more communities through exciting interpretation and learning facilities. It will also help us to cater for the increasing numbers of visitors the City has welcomed since the reburial of King Richard III." It is hoped the National Lottery Heritage Fund will approve its full grant of £3.3m this spring and then work can start on this transformational project for our Cathedral, serving the people of Leicester and Leicestershire as well as visitors from further afield. It is expected that contractors might be on site by early in 2020 and the project will be completed in 2022.

Dear Friend and Fellow congregant

Since launching our renewed congregational appeal earlier this month, I am pleased to report that more than a few individuals have come forward in support of Leicester Cathedral Revealed. This has resulted in a magnificent additional £2,172 bringing the total to £19,462 towards our target of £25,000. Thank you.

It is not too late if you would still like to make a contribution - please could you contact Claire Recordon (by email to claire.recordon@leccofe.org) or me (details below) to indicate whether you are able to support and at what level and a donor form and or Standing Order form can be sent to you. Alternatively please ask a vergier for an envelope – these are in the sacristy. It would be helpful to have any indication of support in time for the Heritage Lottery Fund review meeting on 8 March. The trustees then meet on 28 March when a decision will be made on their support of the next stage of this project.

With thanks and blessings,
