in the 10.30am Sunday Eucharist,  
please speak to the Dean, or if he is  
unavailable, the President, before the  
start of the service.

## **CHALK**

We ask that children who regularly attend are brought by their parents/carer just before the start of the 10.30 service. There will be an extra opportunity for visiting children to join them early in the service when the Celebrant indicates. There is a play/books area for supervised small children in the Old Song School too. The children will return to their parents/carers either before or after the Eucharistic prayer. For those who do not wish to attend CHALK a supply of books, crayons and soft toys are available from the sidespeople. Please return these at the end of the service. ### Leicester Cathedral Old Choristers' Association

The voluntary position of Secretary of the Association has become vacant and we are looking for someone to join the committee to take on this interesting role as from 1 September. If anyone would like details of what the position entails, please do not hesitate to have a word with me, email me at [lcoca.secretary@gmail.com](mailto:lcoca.secretary@gmail.com) or ☎ 01509 880557. The duties do not include taking the minutes of the three meetings per year as there is a separate Minutes Secretary.

The Association maintains links between ex-choristers and the Cathedral. It also strives "to advance the education of the public in the art and science of English cathedral music by supporting and furthering the provision of this music by organists, songmen and the boys and girls of the Cathedral Choir, thus helping to ensure that its tradition is maintained and developed as part of the Cathedral's worship and heritage". It is recognised by HMRC as a charity for tax purposes. Thank you

**Richard Belton, Treasurer and Acting Secretary**

## Could you be a Choir Chaperone?

The Cathedral is looking to recruit a number of volunteer Choir Chaperones to assist the Music Staff with the supervision of Choristers and Young Songmen at rehearsals and services and in particular to enable us to adhere to the requirement that least two adults supervise a group of children of any size.

While this role has often been undertaken by Choir Parents, this does not have to be the case, indeed, we would welcome interest from a wider group of people. The duties are not arduous and you can commit to as much or as little as you're able to do. Appointments to these positions are made in accordance with the Church of England's guidance on Safer Recruiting. For more information, please contact the Director of Music, Chris Ouvry-Johns on 0116 261 5374 or email [chris.ouvry-johns@lecccofe.org](mailto:chris.ouvry-johns@lecccofe.org)

## Cathedral Community

### The Herrick Family in England and America

Copies of the book 'The Herrick Family in England and America' will be on sale for £5 from Irene Turlington after the 10.30am service. These have been donated to us by the American author's son, so all proceeds go to the cathedral. We will be putting our new contactless technology to use for payment if that is convenient.

### Walsingham Youth Pilgrimage – Ages 11 to 25

Monday 30 July – Friday 3 August

After a number of years, and due to forceful demand by some, I am getting back into my shorts this summer and I wonder whether you would like to join me?

Smelling for Jesus is not required – showers and even electricity for such essentials as phones and hair straighteners are available on site.

- Camp with hundreds of other young people, scary nuns and annoying priests in the village of Little Walsingham
- Mass in a Big Top with the amazing band CJM (<https://www.cjmmusic.com>)

- Bible Studies
- First night BBQ & Disco
- Wednesday All-Night Liturgy
- Tread in the footsteps of pilgrims from the past 950 years on the Holy Mile
- Workshop afternoon with crafts, dance, sport, drama, music with CJM - and inflatables!
- Chill out in the café
- Last night disco and karaoke

Apart from the programme, every day there is enough time for trips to the beach and I usually take everyone to the swimming pool on Thursday before handing people back to their parents! Have a look at photos from last year:

<https://www.walsinghamanglican.org.uk/photo-gallery/youth-pilgrimage-2017/>

Cost per person including travel and food for the entire week will be £150.

Reductions are possible. Please have a word with me if you might be interested.

*Definitive decisions and a £50 deposit are needed by Sunday 27 May.*

## **Coffee Rota**

Tea and Coffee is an important feature to our Sunday worship. Many of us appreciate the time to catch up with one another, to have purposeful conversations and to talk about God. This is a vital ministry to the Church. It is also important to making new people feel welcome and included in our community.

Do you think you could help serve refreshments you will be supported by a good team and you will be trained responsibly in what you should be doing. Please prayerfully consider if you can help us, see Nathan Morley who is eager to talk with you.

## **Community Committee future events**

We are pleased to inform you we have a leaflet available for our events program for the remainder of this year. The next event is a tea party on 26 May – see page 9 for more details. As the chair of the Community Committee, I am proud of the rich programme we have put together for this year's events and activities. We look to build on this achievement in the future. We will continually aspire to organise additional events to enrich our programme.

## **Cathedral Community Craft Circle**

Please join us **every Thursday**, from 2.00pm – 4.00pm, for Cathedral Community Craft Circle in the White Rose Café, St Martins House. This is a social and informal gathering where you can bring along your knitting, crocheting, or any alternative art materials that you are working on. All welcome!

## **Your Belongings**

Please do make sure to keep an eye on your belongings during your visit to the Cathedral.

## **Cathedral & Diocesan Notices**

### **Francis Brown is retiring fully!**

Francis has informed us that he now wishes to retire from his role as Cathedral Finance Officer. He retired as our Administrator several years ago and has been working on our finances since in a part-time capacity. Francis steps back to enjoy his retirement proper from mid-May. We are very grateful for his skills and support over these years in preparing our financial statements and overseeing our financial process. We will put in place a temporary solution in order to give us time to assess the best way our financial support should be configured as we develop further as a cathedral. There will be a card and collection as we say farewell to Francis in this role. Please send contributions to the Cathedral Admin Office c/o Gillian Aird and please make cheques payable to Leicester Cathedral and mark the envelope 'Francis Brown Leaving Gift'.

**The Dean**

### **Cathedral conversations on Twitter**

Following the 'Bodies and Broken' season and, before that, 'Home', the next season - after Ascension and through the summer - will be entitled 'Conversations'. You will note elsewhere in this news sheet the various events around the Bishop's Big Conversation weekend; but there will be many other conversations also during that season. One aspect of those will be Twitter conversations around interesting triggers - we aim for a new thread each day starting 13 May. So, if you're not already on Twitter, now is the time to take the plunge and join in with us. These conversations will be triggered by a short interesting quotation each day. Your help is needed right now to assemble an exciting list of quotations - 100 in all! They must be attributable (known recognisable source and not just your opinions on something), not longer than 200 characters, capable of exploration, not offensive in any way, not necessarily Christian, cross-cultural and intergenerational. So, for example, we could have something from a source appealing to teenagers which 'oldies' might never have heard but which would set them thinking!

Or vice versa. Think laterally and ping me [alison.adams@leccofe.org](mailto:alison.adams@leccofe.org) some ideas - head the email up Twitter conversations. If I get loads I can't promise to use them all, but, you never know, some may then crop up in sermons! Or we might carry on doing this - who knows!

**Alison Adams**

### **Summer Tea Party – Cathedral Community event Saturday 26 May from 14.00**

Take a spin out into west Leicestershire and enjoy good company and afternoon tea with the Sub-Dean. While she is capable of providing dainty sandwiches on bone china plates, her cake making skills are not great, so Nathan Morley is co-ordinating the provision of cakes. Please contact Nathan ([nathanmorley82@hotmail.com](mailto:nathanmorley82@hotmail.com)) if you can bring a cake, also please sign the clipboard by the door so we have an indication of numbers.

### **Dementia Week 21 – 27 May 2018**

Dementia is an increasingly emergent issue within our society, affecting people everywhere. How may we best respond as communities? What support exists locally for people living with dementia and their carers? How can an individual helpfully get involved? Whatever your connection with dementia, or whether you just want to know more, we would like to invite you to the following events:

#### **Dean's Discussion: I think therefore I am?**

Monday 21 May 7pm – 8.30pm in Leicester Cathedral

Join us to explore our understandings of dementia, selfhood and how to respond, drawing on the experience of professionals with direct personal experience.

All are welcome - whether you are living with dementia, have some other connection or want to explore the topic in greater depth. **Free but book through**

**Eventbrite** : <https://www.eventbrite.co.uk/e/deans-discussion-i-think-therefore-i-am-tickets-44631016572?aff=es2>

#### **Singing for the Brain**

Tuesday 22 May 2pm – 4pm in Leicester Cathedral

Brains are good at recalling music and song, even when other memory functions are difficult. Singing for the brain is a structured approach enabling people living with dementia not only to enjoy themselves and socialise but, quite literally, to find their voice. This event is open to all, but a particular welcome is extended to musicians and others who could see opportunities for development within in their communities.

**Free but book through Eventbrite** : <https://www.eventbrite.co.uk/e/singing-for-the-brain-tickets-44666942026?aff=es2>

## **Dementia Awareness Training**

Thursday 24 May 10.30am – 12.00noon or 2pm – 3.30pm

Open to any who wish to learn how to engage positively with people living with Dementia, and therefore to become Dementia Friends within their local community.

A good starting point, facilitated by the Alzheimer's Society. **Free but book through Eventbrite** : <https://www.eventbrite.co.uk/e/dementia-awareness-training-tickets-44228712269?aff=es2>

## **Held and loved: together with God – a life-affirming dementia-friendly service**

Sunday 27 May 3pm in Leicester Cathedral

With familiar music and prayers and followed by tea and cakes. Open to all comers – particularly welcome are people living with dementia, carers, families and community members. Booking not required.

## **Displays, information and advice**

Monday 21 May – Friday 25 May in Leicester Cathedral

With an extensive display and other materials, the Alzheimer's Society will be present all week during Cathedral opening hours, ready to answer questions and signpost to resources.

## **What next – further steps?**

Hospitality lies at the heart of the Christian faith. How can we as communities' best respond, both in terms of continuing to welcome and involve people with dementia, and also in supporting them and those around them? We can offer localised training, both to enable groups to grow in dementia awareness, but also to move to the next stage where individuals become Dementia Champions and Churches seek Dementia Friendly Church status. For further information please contact the Diocesan Dementia Action Group via [alison.adams@leccofe.org](mailto:alison.adams@leccofe.org)

## **Diversity & Inclusion conference**

Addressing the challenges in the health and social care workforce on 15 May 2018 at Walkers Hall King Power Stadium. **Life, faith and music – the Dean in conversation with Bishop Guli**  
**Friday 8 June Leicester Cathedral, 19.30 – 21.00**

Leicester Cathedral, with its rich musical offering, continually allows for the exploration, expression and practice of faith through music. Here now is a chance to explore this interface further. Also, Desert Island Discs style, to get to know the new Bishop of Loughborough, herself a skilled musician, through her musical loves.

**Monday 11 June Leicester Cathedral, 13.00 – 14.30**

A lunchtime workshop with Dr. Mary Ann Lund of Leicester University exploring poetry about prayer, speech, and spiritual encounter, with particular reference to R.S. Thomas.

**The Importance of Being Earnest**

Oscar Wilde's cherished 'The Importance of Being Earnest' will be coming to the Cathedral on **Saturday 2 June at 7.30pm**. Already one of our nation's funniest plays, the "exhilarating" Split Second Productions is making its unique mark with their "ingenious" re-telling of the story where two actors will play every single character. Rapid quick-changes, tap dancing, fabulous frocks and enough tea to sink a ship, audiences are in for a wildly waggish time. It's Oscar Wilde's classic as you've never seen it before! For more information or to book tickets please visit the Split Second Productions website at: For tickets and a full list of venues/availability see online at <https://www.splitsecondproductions.com/>

**Foodbank donations**

The local foodbank is in need of donations. A particular need is for boxes of UHT milk. Please could you donate any of the following UHT milk, tinned vegetables, tinned meat, tinned sweetcorn, tinned carrots, tea, coffee, sugar, pasta, rice, nappies, and female sanitary products. Please bring donations on a Sunday and place in the box by the door. Or during the week, please give to the welcomers or verger on duty. Thank you.

## Thy Kingdom Come

## THY KINGDOM COME

Thy Kingdom Come is a global prayer movement, which invites Christians around the world to pray between Ascension and Pentecost for more people to come to know Jesus Christ. What started out as an invitation from the Archbishops' of Canterbury and York in 2016 to the Church of England has grown into an international and ecumenical call to prayer. Come and pray in your Cathedral and be inspired by our "Lord's Prayer" board. Come and dream what you think the Kingdom of God on earth would be like. Dare to dream and offer this dream to God. Paste this dream on our interactive wall and watch the Kingdom grow. Follow us on Twitter, Facebook and Instagram. Come and chat with our crafters on Wednesday 16 May and Thursday 17 May between 10.00 – 12.00 and 14.00 – 16.00. Join in the conversation of our Christian faith.

The Royal Air Force (RAF) was formed towards the end of the First World War on 1 April 1918 and is the oldest independent air force in the world. 2018 marks 100 years of the Royal Air Force with a programme of public events at national and regional levels. RAF100 launched officially on 31 March 2018 with an opening concert at the Royal Albert Hall and runs for approximately six months. The centre piece of RAF100 will take place on 10 July 2018, with a centenary service in Westminster Abbey, followed by a parade in The Mall and mass fly-past.

# Leicester Cathedral Revealed

## Getting your views

Thanks to all who contributed to our consultation day on 22 April, which was mainly about the sort of activities and audiences we hope to reach once the main work is complete.

On 8-10 June we will be doing something similar but this time focussed on the designs, as we prepare to get them into shape to apply for planning permission. This is, of course, alongside our application to the national Cathedrals Fabric Commission. We expect to be ready to submit both over the summer.

## Stonework repairs pressing on

Behind the scaffolding the work to repair the decayed external stone of the south and west corners continues. As the picture shows, stone is being delivered first thing in the morning, then to disappear into the hoarded off area to be placed into the walls.

We have also now agreed designs for the new grotesques of a Fox and a Tiger to replace decayed gargoyles, and these will now be carved by expert masons to be put in place before the end of the works.
