in the 10.30am Sunday Eucharist,  
please speak to the Dean, or if he is  
unavailable, the President, before the  
start of the service.

## **CHALK**

We ask that children who regularly  
attend are brought by their  
parents/carer just before the start of the  
10.30 service. There will be an extra  
opportunity for visiting children to join  
them early in the service when the  
Celebrant indicates. There is a  
play/books area for supervised small  
children in the Old Song School too.

The children will return to their  
parents/carers either before or after the  
Eucharistic prayer. For those who do  
not wish to attend CHALK a supply of  
books, crayons and soft toys are  
available from the sidespeople. Please  
return these at the end of the service.

We pray for all those who have a heavy burden to bear at this time, especially for:

*Family and friends of Herbert Fadriquela Sr      David Barnard      Mary Hale*

Please continue to keep the following, who have asked for long term prayer support, in your prayers

*Mads Morgan      Kate Clarke      Liza and Joe Deeping      Barbara Butler

### RIP

We remember those who have died recently, including Sybil Hughes, *Herbert Fadriquela Sr*, and *Freda Aldridge*, and those whose anniversary is at this time.

Sybil used to worship regularly during the time that her husband The Very Revd John Hughes was Provost of Leicester. We give thanks for her ministry and witness here as we commend her to God's eternal care. Her funeral will take place on 16 March at 1.45pm at Michael and All Angels in Hallerton.

If you have a person you would like to be prayed for by name, please contact Diana Belton on ☎ 07975 833209 or E: [diana.belton@leccofe.org](mailto:diana.belton@leccofe.org) and they will be included in the prayer list for four weeks. If you have asked for a person to be included please keep us advised of their well-being and let us know if you would like them to remain on the prayer list.

### Sunday mornings

The Chapel of Christ the King will be available from 10.00am every Sunday for anyone wishing to spend time in silent prayer before the Eucharist service.

## Come and pray with us

Every Sunday in Lent we are inviting you to come and ask for prayers either for yourself, a friend, or wider issues. It could be an intercession or a gratitude prayer. Two people will be in St George's Chapel during the administration of Holy Communion to pray with you. They will also commit to keep your request in their prayers during the following week. Being mindful of the short time available if you need to speak with someone at length, clergy will be available after the service.

## Prayer Cell

The Prayer cell is a group of people from the Cathedral community who have committed to pray for people on a long term basis. They also see it as part of their ministry to hold specific prayer requests to God, for e.g. support for job interviews, hospital appointments, and difficult times. This is a confidential ministry.

## Cathedral Pastoral Team

Please contact Diana Belton on ☎ 07975 833209 or E: [diana.belton@leccofe.org](mailto:diana.belton@leccofe.org) if you have any pastoral concerns. Pastoral visits to hospital, nursing and residential homes, and to people at home can be arranged for our congregation. A group of commissioned lay people, working with the clergy, take Holy Communion out to those who are unwell or who are now unable to attend worship at the Cathedral. Please contact Celia Russell-Thorpe and Diana Belton to arrange this.

## Cancer Care Prayer Group

The Cancer Care prayer group meets every Tuesday at 3.00pm (please note that the group, to light candles and name people with or who have had cancer and have asked for our prayers. Everyone is welcome to attend. To add a relative or friend to the list, contact Sue Mason ☎ 0116 270 4629, E: [sue.mason4@btopenworld.com](mailto:sue.mason4@btopenworld.com)

### Lunchtime Recitals 2018

The Spring Lunchtime Concert Season continues on Monday 5 March 2018, with Philip Leech and Chris Ouvru-Johns performing Cantata 55 by J.S. Bach, at 1pm. Free admission.

For more information on the season, visit the Cathedral website.

### Host Families needed for German Vocal Ensemble

On 25 June, the six-strong German vocal ensemble Sjaella will be giving a lunchtime concert in the Cathedral. I first came across them in 2009 when they were still at school and taking part in the same choral festival in Germany as the Bradford Boys' Choir (which I used to run when I lived in Leeds) and they were excellent then. Now they're that much older and have been studying at various music colleges for a few years, they're likely to be even better, so please do put that date in your diary.

The group will be travelling up from Cambridge the previous evening and, since their members are all students, they have asked whether we might be able to find host families for them, in order to keep their costs to a minimum. If you'd be willing to put one or more of them up on 24 June, please do get in touch.

## Easter Vigil, Holy Saturday, 6pm

Admission to Communion, Confirmation and Reception into the Church of England

During the Easter Vigil (Holy Saturday, 31 March, 6pm) all the above will happen with +Martyn our Bishop in an extended service including a full meal. The service is open to all and it would be most helpful to know numbers by Palm Sunday (25 March – I will distribute flyers during Lent).

The preparation is threefold:

1. Admission to Communion

Those wanting to be admitted to Communion are going away on a Children's Weekend 16–18 March 2018. The weekend does not commit anybody to being admitted to Communion – it is open to all aged 7 to 11. However, it would be a most helpful preparation for those who want to. The cost of the weekend is going to cost a maximum of £70 all inclusive.

2. Confirmation Preparation for young people from secondary school age onwards happens on Saturday, 24 March from 2pm onwards. Please contact me if you are interested.

3. For those aged 16 and above who would like to be confirmed or received into the Church of England preparation is within the Lent Course on Mondays from 7pm (see page nine).

For a conversation about any of these please email or phone me: Canon Johannes Arens: [johannes.aren@leccofe.org](mailto:johannes.aren@leccofe.org) or via 0116 261 5364.

# Cathedral Community

## Community Committee Vision

We have been looking at how we do things and thinking about what we need to do for the community to raise our presence. A Strategic Plan has been developed which include a commitment to running a yearly programme of events. We are looking at how we support the Pastoral Assistant to underpin the prayer life of our church. We are looking at social outreach strategies on how we reach out to the most vulnerable and in need. We are looking at how we care for God's world as part of our commitment to ECO-Church and the commitment to using Fair Trade products. We are looking at the links between our midweek and weekend congregations and we are thinking about how we can help strengthen those bonds. Most importantly we are looking to encourage lay leadership and empowerment.

We are pleased to inform you that we will have a leaflet "Cathedral Community Events Program 2018" which will be available soon, that starts with the Beetle Drive. There will be a summer tea party with the Sub-Dean in May, a Barbecue in June, a quiz night in August, a daytime retreat in November (with an old friend Rev. Clive Watts), and there will be a Craft gathering in December. As the chair of the Community Committee, I am proud of the rich programme we have put together for this year's events and activities. We look to build on this achievement in the future.

## Coffee Rota

It has been acknowledged that Tea and Coffee are important features to our Sunday worship. Many of us appreciate the time to catch up with one another, to have purposeful conversations and to talk about God. This is a vital ministry to the church. On 20 January 2018, Nathan Morley chaired the meeting with people who regularly serve on Sunday mornings. As a group of individuals, we are upping our game and trying to be the best at what we do.

Perhaps you have considered giving more to enable our community to flourish? We are always looking for extra help if you decided to volunteer you will be supported by a good team and you will be trained responsibly in what you should be doing. Please prayerfully consider if you can help us, see Nathan Morley who will be happy to discuss this with you.

## Beetle Drive

At St Andrews Church Community Hall, the Cathedral Community Committee is putting together a Beetle Drive on 14 April 2018, between 6 and 9pm. Tickets will go on sale shortly and they will cost £5 per adult and £4 for children. Light food and refreshments will be provided and we hope this will be a good event that is family orientated. We will also be inviting people from St Andrews and St Nicholas churches. **Help needed:** *have you got any unwanted Christmas presents that we could use for raffle prizes to raise money?* **Perhaps:** you feel you could volunteer your time at this event? Your help would be most welcome. See Irene Turlington if you could help in any of these ways.

## AGM and Elections

Our Annual General Meeting in May. Perhaps you are feeling that you can add your gifts and talents to the work that we do. This would your chance to get involved if you feel you can add to work that we do. Election of new members will take place at the AGM. We have events coming up this year and need to start planning 2019. Perhaps you would like to visit a Community Committee meeting and see what we are about before committing? You would be most welcome to see what we do before deciding. The Community Committee look to maintain a missional context into our Christian action. We are a group of lay people who are willing to work with the clergy to support this community. If you are considering standing forward for election in the AGM, you will need to be on the Cathedral Community Roll – joining is simple and you could be elected by the congregation. If you would like to talk about joining, contact me on [neill.addison@outlook.com](mailto:neill.addison@outlook.com)

## Cathedral Community Craft Circle

Please join us **every Thursday**, from 2.00pm – 4.00pm, for Cathedral Community Craft Circle in the White Rose Café, St Martins House. This is a social and informal gathering where you can bring along your knitting, crocheting, or any alternative art materials that you are working on. All welcome!

## Your Belongings

Please do make sure to keep an eye on your belongings during your visit to the Cathedral.

**Sunday morning breakfasts** recommended this Sunday after the 8.00am Eucharist service. Members of the congregation will recall that these were started by Michael Philips, who sadly died last year, and they provided a valuable opportunity for members of the congregation to get to know each other.

We would like the breakfasts to continue as a remembrance of the valuable gift of friendship that Michael gave us. Future breakfasts for 2018 are scheduled to take place on 6 May, 1 July, 2 September and 4 November. All attending the 8.00am service are welcome, and we would like to extend the invitation so that the early arrivals for the 10.30am service are also welcome to attend.

**David & Marilyn Brooks**

## Fairtrade – Bodies Broken and Blessed

As we enter Fairtrade Fortnight I have reflected on how the theme of *Bodies Broken and Blessed* resonates with the work of the Fairtrade Foundation, especially their work with small-scale gold miners, who are open to exploitation by traders because of their poverty, and the absence of regulation and legal protections.

In a small mine in Southern Peru the men worked exhausting 12-hour days relying on sheer strength and very basic tools such as sledgehammers and picks and shovels. Like most artisanal miners, they processed the gold using mercury without protection. They now have safer working conditions, better community facilities and improved education for their children.

Workers in Fairtrade certified gold mines receive a guaranteed Fairtrade Minimum Price for their gold as well as a Premium to spend on improving their businesses or on community projects, such as education, clean water and healthcare.

To receive the Fairtrade certification, mines have to reach minimum standards of safety, wages & ecological standards. Local communities are able to decide on the best use of the Premium to meet their needs.

When shopping lookout for the Fairtrade mark and remember that it is a tool for development that ensures disadvantaged workers in developing countries get a better deal through the use of the international FAIRTRADE Mark. Find out more at [www.fairtrade.org.uk](http://www.fairtrade.org.uk)

Join us for a cup of Fairtrade tea or coffee, sweetened with Fairtrade sugar and maybe sample a Fairtrade biscuit.

## Research presentation on 'Sikh radicalisation' in Britain

Dr Jasjit Singh from the University of Leeds

Tuesday 17 April 2018, 6.00–8.00pm

St Philip's Church, Evington Road, Leicester, LE2 1HN

Tea, coffee & samosas will be provided

Dr Jasjit Singh will talk about his recent research project which investigates the nature of "Sikh 'radicalisation' in Britain", an issue which has received much political and media attention, but little academic attention to date. The results of this research will help us understand how Sikhs in Britain learn about, interpret and act upon events in Britain and in other parts of the Sikh diaspora, and the nature and types of Sikh activism in Britain.

Book via our website – <https://www.stphilipscentre.co.uk/Event/research-presentation-on-sikh-radicalisation-in-britain>

# Leicester Cathedral Revealed

## RIBA Stage 2 draws to its close

The Royal Institute of British Architects (RIBA) divides projects up into 8 stages, numbered, helpfully, from 0-7. What we submitted to HLF and most of the images you've seen since, are all part of RIBA Stage 1 ('preparation and brief'), and since we were approved for Development Funding last summer we've been working on RIBA Stage 2 ('concept design'). Our architects have now pulled all of that work together into a final Stage 2 report (with multiple detailed appendices) which is due for review by our HLF regional contacts on 2 March and by Chapter on 6 March. Hopefully in time for us to progress to RIBA 3 ('developed design'). That's where we start to work out where the plugs go!

## Repairing our flaky stone

All up all sorts of work is going on behind the covered scaffolding that will only be revealed in the fullness of time. But to keep you aware, here's a [couple of] pictures taken in recent visits up there, showing what it looks like as we take away the outer skin of damaged stone, revealing the rubble interior.

## 'The Business of Barchester'

Is the title of an article I wrote last autumn about how Cathedrals need to be business-like in practice without losing sight of our core purpose as a place of spirituality. We're about to appoint Business Consultants, as the final key consultancy for our project, who will help us understand just how we do all of that for all areas of our life, in a fully sustainable way. In less than 10 years, in 2027, we will be marking the centenary of our becoming a Cathedral. We want to be well placed to still be here fulfilling our key role 100 years more into the future.
