

Friends of
Leicester
Cathedral

*An
invitation
to join us*

Preserving our past
and supporting our
future

Your support will really help us make a difference!

Each year The Friends contribute to the Cathedral's ongoing work in conservation, enhancement, restoration, and music.

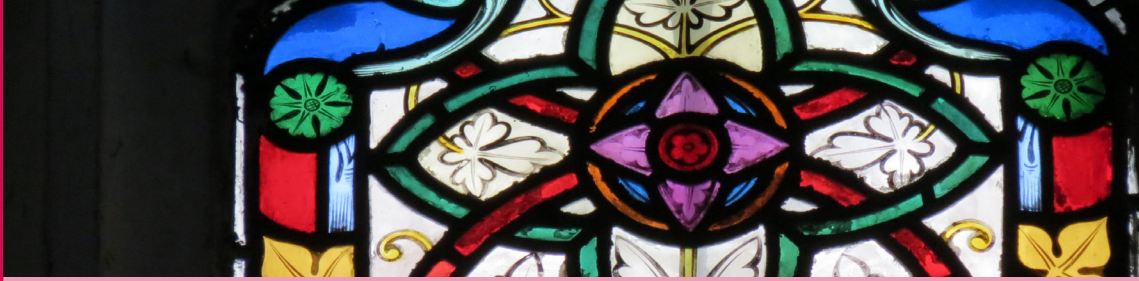

Who are the Friends?

Friends are people from all over the Diocese and beyond, who seek to support the Dean and Chapter by bringing together those who love Leicester Cathedral and wish to play a part in maintaining and enhancing its fabric – and by supporting opportunities for mission for both present and future generations.

As a Friend you will

- be kept in touch with the Cathedral and receive notice of forthcoming events and the Annual Report
- receive invitations to Friends' events and receptions
- be an extended part of the Cathedral family and an exciting and challenging time in its life
- share in caring for our heritage
