Action to take if there is an allegation or disclosure of abuse

If there is an allegation or disclosure of abuse by a child, young person or by an adult who is disclosing or alleging historic child abuse:

▷ Listen. Keep listening.
▷ Do not question or investigate – this is the job of the authorities. In particular do not speak to the subject of the allegation.
▷ Do not promise confidentiality; tell them that the information they disclose needs to be shared.
▷ Assure them they are not to blame.
▷ Tell them what you are going to do. Reassure them that the matter will be reported to the investigating authorities. If the person needs reassurance that the alleged perpetrator will be punished, do not make any promises. There can be no guarantee as to what happens as that will be dependent upon the outcome of the investigation.
▷ As soon as possible after the conversation, make careful notes of what was said, record dates, times, events and when you were told.
▷ If there is immediate danger to a child or young person, contact the Social Services or the Police.
▷ Report the incident to your priest or Child Safeguarding Coordinator immediately.
▷ Do not contact the priest or Coordinator if the allegation concerns them or anybody related to them.
▷ The priest or Child Safeguarding Coordinator must then report the concerns to the Diocesan Safeguarding Adviser (DSA) by the end of the next working day.
▷ Do not contact the priest or Coordinator if the allegation concerns them or anybody related to them. Contact the DSA directly if necessary.
▷ Dates and times should be recorded of any observations which have been made and of the referral to the DSA.
▷ The DSA will act in line with Practice Guidance and will decide whether to:
  ◇ Report the concerns to Social Services and/or the Police, who will then investigate while the Adviser liaises with the parish; or
  ◇ Continue to observe closely – the process will be repeated in the event of any more concerns.
▷ There should be close communication between the priest/coordinator, the DSA and the appropriate Archdeacon until the situation is resolved.
▷ In the absence of the DSA, the Dean should be contacted.

Action to take if you are concerned that someone may be committing abuse

If you are concerned, or it comes to your notice that someone may be committing abuse:

▷ Make notes of your concerns and discuss them with your priest or Child Safeguarding Coordinator.
  ◇ The priest or Child Safeguarding Coordinator must then report the concerns to the Diocesan Safeguarding Adviser (DSA) by the end of the next working day.
  ◇ Do not contact the priest or Coordinator if the allegation concerns them or anybody related to them. Contact the DSA directly if necessary.
  ◇ Dates and times should be recorded of any observations which have been made and of the referral to the DSA.
  ◇ The DSA will act in line with Practice Guidance and will decide whether to:
    ◇ Report the concerns to Social Services and/or the Police, who will then investigate while the Adviser liaises with the parish; or
    ◇ Continue to observe closely – the process will be repeated in the event of any more concerns.
  ◇ There should be close communication between the priest/coordinator, the DSA and the appropriate Archdeacon until the situation is resolved.
  ◇ In the absence of the DSA, the Dean should be contacted.

Action to take if people with convictions for offences against children or people under investigation are attending church

Where someone attending the church has been convicted of offences against children (or they have received a formal police caution) an agreement will need to be drawn up to minimize any risk to the safety of children within the church. An agreement may also be necessary where a person who has not been convicted is reasonably regarded as posing a risk (e.g. he/she is under investigation for alleged child abuse).

▷ The priest or, in the absence of the priest, the Child Safeguarding Coordinator, must inform the DSA of the situation.
▷ The DSA will decide whether an agreement needs to be in place. A risk assessment may be necessary.
▷ The DSA will be responsible for producing any risk assessment and/or agreement.
▷ If the person is a convicted offender, there will need to be liaison with the person’s Supervising officer (police or probation) who should be consulted about the agreement and, ideally, be a signatory to it.
▷ The offender or person under investigation will be asked to sign the agreement, which will then be reviewed annually.

Allegations or concerns about senior clergy

▷ If an allegation involves an archdeacon or dean it should be reported to the Bishop of Leicester.
▷ If an allegation involves a bishop, it should be reported to the Archbishop of Canterbury.

- Do not contact anybody who is implicated in the allegation or disclosure, even if they would normally be contacted as part of the procedure.
- Do not talk to the media under any circumstances. The Diocesan Senior Media Relations Officer will handle any media statements.
- If a child or young person makes a disclosure by email or other electronic means the same procedure should be followed, with the person receiving the disclosure making careful and confidential use of email or other electronic means to continue to ‘listen’ and then passing on the disclosure via the appropriate channels.
- The procedure is the same for abuse which happened in the past, possibly many years ago.
